Policy acknowledgement instructions

Objective: To guide the HR department in facilitating the policy acknowledgment process for all employees.

Steps:

- Distribution of Policy Document:**
 - Ensure that the [Policy Name] document is prepared and ready for distribution to all employees.
- Communication:**
 - Communicate the policy acknowledgment process to all employees, emphasizing the importance of understanding and adhering to the policies outlined.
- Acknowledge Form Setup:**
 - Create an acknowledgment form using [Insert Form Creation Tool/Template].
 - Include fields for employee's full name, date, and any additional information required.
- Link Generation:**
 - Generate a unique link to the acknowledgment form.
 - Insert the link in the communication to employees for easy access.
- Deadline Establishment:**
 - Set a due date for employees to submit their acknowledgment forms.
 - Clearly communicate the deadline in the instructions.
- Submission Method:**
 - Specify the method of form submission (e.g., through HR, online form, etc.).
 - Provide clear instructions on where and how employees should submit their acknowledgment forms.
- Monitoring:**
 - Regularly monitor the submission progress.
 - Follow up with employees who have not yet acknowledged the policies as the deadline approaches.
- Contact Information:**

A hand is shown reaching down towards a body of water. The hand is positioned in the upper left quadrant, with fingers slightly curled. The water surface is calm, showing a clear reflection of the hand below it. The background consists of a dark, silhouetted shoreline under a twilight sky. The overall color palette is monochromatic, dominated by various shades of blue and black.

What is the common denominator
for successful intranets?

They are well used.

They are well used in daily work,
by most employees – long term.

How can we achieve that?

SEE YOU NEXT YEAR!
